Registration is open until the start of level 7. Levels will last 20 minutes. 1 in 7 win a \$3,500 WPT Rolling Thunder Entry. Satellite ends when the number of players remaining is identical to the number of seats awarded. Any prize money short of winning a seat is awarded to the players eliminated during the reverse shootout. Satellite winners will be entered into the flight of their choice. Satellite winner must be registered in the event to transfer the entry.

NO HAND FOR HAND/SHOOTOUT FORMAT: At predetermined points in the tournament, the chip leader(s) are removed from play and awarded their seat. When the number of players left to be eliminated is equal to the final number of tables to be used, there will be a total redraw of balanced tables and the tournament will run as a reverse shootout. Once one player is eliminated, the rest of that table receives their seat (see chart).
